Dear Dan:

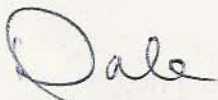

On behalf of the Council and our Planning Committee, I want to thank you for the significant contribution you made to the 2007 Mid-America Safety, Health and Environmental Conference and Exposition.

The success our conference is dependant on the quality of our program and the program is dependant on the excellence of our presentors. The evaluations we have reviewed confirm a superior level of performance on both counts.

You have provided a valuable service for an entire community of interests by sharing your knowledge and expertise with those who can put it to good use. That makes you a safety and health hero --- we thank you and hope the experience was equally rewarding for you. Also, if you have suggestions that you believe would make the experience more accommodative, please let us know.

Again, we appreciate very much your willingness to be helpful and supportive of our efforts.

Sincerely,

R Dale Findlay
Executive Director

MISSOURI SAFETY COUNCIL

*P.S. Congratulations Mr. Vice Chair
we have our work cut out for us
I look forward to working with you this year.*
