Dear Dan:

My intention each year is to compose and mail our Conference and Expo "thank you" letters within two weeks of the last day of the Conference. It's good I am not bound by intentions. My apologies for this reoccurring tardiness.

We know with absolute certainty that our Mid-America Safety, Health and Environmental Conference is only as good as the sessions we are able to provide and the quality of those sessions is solely dependent on the skills and knowledge of our presenters. 2006 was an extremely good year in that regard and your contribution as a principal presenter was essential to that kind of positive outcome.

The feedback from conferees has been highly complimentary and we are extremely grateful for your willingness to be of such invaluable service to the Conference and the Council.

We thank you and want you to know how much we appreciate all you did for us.

Sincerely,

R Dale Findlay  
Executive Director

MISSOURI SAFETY COUNCIL

*As always, thanks for a super job.*
